To give voting instructions to your representative, please mark a cross (X) to the item below.

If you do not check any boxes below, your representative will vote for the resolution proposal contained in the notice to the Extraordinary General Meeting published on 2 November 2021.

“Abstain from voting” means giving an empty vote, in which case the shares are taken into account as shares represented in the handling of the agenda item, which has an impact with respect to resolutions requiring a qualified majority (such as agenda item 6). With respect to resolutions requiring a qualified majority, all shares represented at the General Meeting are taken into account. Therefore, abstaining from voting has an impact on the outcome of the vote. Shareholders should be aware of this fact, especially if their intention is not to vote against the proposal.
